### About This Content

This DLC for the game Galaxy Girls includes two packages.

#### 1. Music Player in Game

By purchasing and installing this DLC, the game will include a new feature on the main menu, that will allow you to change what music is currently playing to a different track. So you can play through the tracks from the game. All are available at the start once installed.

#### 2. Complete Digital Soundtrack

In addition you will receive the complete digital soundtrack as mp3 music files for you to enjoy at your leisure outside of the game. A link to the music can be found inside the music player that will open the soundtrack directory. In addition Steam Music Player should also be able to access to the soundtrack.
